Mike, Eddie,

Attached is the data per our discussion yesterday.

Thanks.

Jeff

See attached. This is the particulate testing that took on the 4th floor yesterday. This is positive if you ask me. We are testing PM10 in the lobby today and expect to have those results on Wednesday or hopefully before but we're at the mercy of the testing and lab companies. Let me know if you have questions or need anything else on my end. Thanks!

Waring Associates
